Preserving

Framingham's most historic buildings on our iconic
Town Common and the collections they house

Sharing

these collection through exhibitions,
museum tours, and *homegrown* programs

Connecting

visitors to community through local history

framinghamhistory.org

We bring history to life ...

The Framingham History Center is a gathering place for those who care about Framingham's past, present, and future. Our mission is: to preserve and share Framingham's history in order to encourage connection to community.
